

Tempest 3 (T3) Charging or Total Loss Ignition Kawasaki Ultra 150 & STXR

The Kawasaki '99-'02 Ultra 150 and STX-R Tempest (T3) Ignition from Advent Ignitions is the leading edge in ignition technology. The T3 Ignition was designed to include all the features and capability you could ever wish for in a performance ignition.

If the ignition doesn't do its job, nothing else under the seat matters. The T3 Kawasaki Ultra 150 ignition is the most complete solution to engine control. The T3 Ultra 150 / STX-R Ignition brings together a high output energy ignition, multiple performance advance curves, rev limiter and water control in a single product. With the Advent T3 Ignition on your team, you can pull ahead of the competition.

Features List

- Fits all Kawasaki Ultra 150's and STX-R
- Operates as a charging or total loss ignition, no power ON/OFF switch required
- Up to 4 times more spark energy than the stock ignition
- Selectable spark energy output for stock or high power ignition coil usage
- Four user selectable ignition advance curves*
- User adjustable Smooth Rev Limiter
- Spark On/Off switch for service requirements
- Digital Tachometer output
- Uses OEM connectors for 'Plug & Go' installation
- T3 supports all factory gauges on the boat
- Uses stock flywheel & pickups
- No special tools or adjustments required

Engine Compatibility

The Tempest 3 Ignition is designed for use with 1999 through 2001 model year Ultra 150's.

Specifications

Limiter:	5900 – 9000 RPM in 100 RPM increments with smooth action rev limit
Spark Energy:	Up to 4 times more than stock with stock coils
Advance Curves:	4 built-in user selectable performance curves*
Curve Fitting:	Each curve is comprised of 33 separate points for smooth, accurate timing
Cylinder Curves:	Each cylinder has independent timing curve for maximum cylinder performance
Enclosure & Connect:	Exact replacement case, installs exactly and connects same as factory ignition

*Specify engine compression, exhaust system type, fuel type and riding style when ordering. Your Ignition will be shipped with a curve set (4 curves) that provides you with a range of curves that suit your needs.
